

Traditions' memory

MOMENTS NOT TO BE WASTED

Cut and colour the cards of the game, then challenge your friends to play this fun game called memory: put all the game cards face-down and in random order on a surface.

The players, taking turns, must uncover two cards at a time in order to find suitable food pairs.

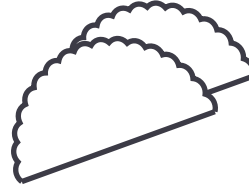

The player who manages to associate more foods with their traditional recipe wins!

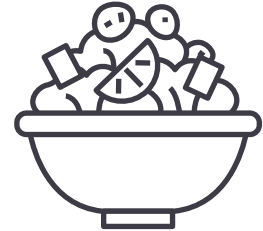

Rice

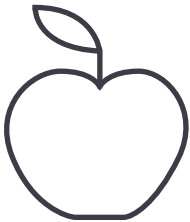

Mozzarella

Omelette

Greek Salad

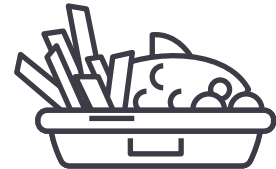

Apple

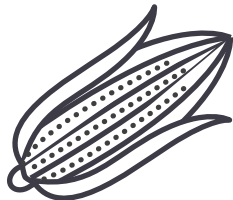

Lamb

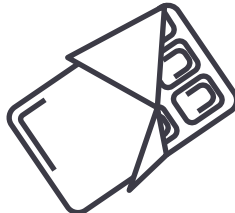

Sushi

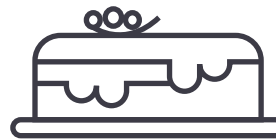

Fish & chips

Corn

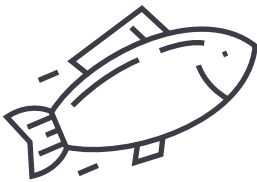

Chocolate

Sacher cake

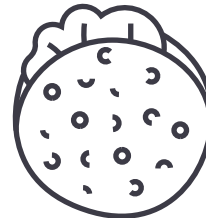

Tortilla

Codfish
